

Happy Holidays

As the year comes to a close, we want to thank all our students and families for making it such a special year. We're grateful to be part of your children's English learning journey and for the laughter, curiosity, and progress we've shared along the way.

We wish you a joyful holiday season filled with warmth and special moments together. We look forward to seeing you again soon and making more happy memories in the new year!

Warm wishes,

Caren and the Helen Doron English Team

27 May 2027
Corpus Christi

26 Jun 2027
Last Day of School (Sat)

28 Jun – 08 Aug 2027
Summer Break

We are excited to share that in 2027 we will launch a new Bring a Friend campaign. Word of mouth means so much to us and we truly appreciate the wonderful community that continues to grow around our learning centre.

If your child has friends who might enjoy learning English with us, keep them in mind. Inviting a friend could earn you rewards on learning materials and course fees.

The campaign will run from January to June 2026 and full details will follow soon.

Holiday Week

During the last week of classes, enjoy a spread of holiday cookies and warm punch with us in the reception area!

Background Hearing

At Helen Doron English, we believe that regular listening is an important part of your child's language journey. Children learn languages naturally by hearing them again and again, just as they do with their native language. A short daily audio session can become part of your family's routine. Your child doesn't need to sit and listen attentively every time. Even hearing the audio while playing nearby gives them more chances to become familiar with English.

The songs, stories, and words in the audio are connected to the content we use in class. Hearing them regularly helps children recognize what they've learned, feel more confident, and join in with greater ease. Our digital materials, including videos, songs, audio tracks, games, and apps, make it easy to bring English into everyday life.

Flu Season

While we are happy to see our students, we have been dealing with instances of children coming to the center who are not well. We politely ask not to send your children to school if they are sick or exhibit symptoms of being sick.

Sending your children to school if they are not well creates significant staffing challenges for us. We continue to do our very best to make sure we don't have to cancel classes. Thank you very much for your cooperation.

Holiday Movie Day

Join us for a festive morning of
holiday laughter and joy with the movie
